

## **Berks County Conservation District Scholarship Program**

The Berks County Conservation District (BCCD) is accepting scholarship applications from High School seniors within Berks County, or current College or University students whose permanent residency is within Berks County.

*Last year's scholarship program awarded over  
\$15,000 in scholarships!*

*Several scholarships available!*

*Information on scholarship amounts will be available in February.*

*Review the information below and submit your completed application  
on or before May 25, 2018.*

***Good luck!***

### ***Qualifications:***

- Applicant must be a Berks County High School senior or College student that will enter or is currently enrolled in an undergraduate program in 2018, who will be continuing their education with the intent of majoring in conservation, environmental science, forestry, agriculture, engineering or related studies.
- High School seniors or current College and University students must be accepted by or enrolled in an accredited institution of higher learning. Failure to be enrolled in the stated major will be cause for the scholarship to be forfeited.
- The determination of whether the major course of study qualifies will be at the discretion of the Board of Directors of the Berks County Conservation District.
- College students already enrolled in an undergraduate program related to conservation, engineering or other environmental major course of study must have a cumulative grade point average (GPA) of 2.85 or higher.

- Students applying for scholarships will be required to submit all of the following:
  - ✓ **Completed Application**
  - ✓ **Academic Records/Transcript**
  - ✓ **Acceptance Letter**
  - ✓ **Career Plans**
  - ✓ **A 500 - 1,000 word essay - “Watersheds: Our Water, Our Home”**  
**Topic** – Water is one of our most precious resources. Watersheds supply water for drinking and recreation, irrigation and manufacturing, and wildlife and bird habitat. It is essential that each of us adopts good water conservation habits so that we can keep our water resources safe and productive now and for future generations. What benefits does clean water provide? Think about the impacts from a social perspective, environmental perspective, or economic perspective.
  - ✓ **A 250 word essay**  
**Topic** – *Why do you think you deserve the scholarship?*
  - ✓ **Personal Records**

***Interested applicants must have their entire scholarship application package in the office of the Berks County Conservation District no later than Friday, May 25, 2018.***

All completed scholarship application packages need to be e-mailed to: Evan Corondi at [Evan.Corondi@berkscd.com](mailto:Evan.Corondi@berkscd.com). Each submission must have multiple attachments, please do not scan all documents into one attachment. If packet is not complete a phone call will be made and an e-mail sent to the student requesting the missing information. At that time the student will be informed they have 24 hours to submit missing documentation or their packet will be marked as incomplete; an incomplete submission is not eligible to participate in the scholarship program this year.

If an applicant does not have access to e-mail, they need to contact Evan Corondi at 610-372-4657 ext. 212 to discuss alternative submission methods.

Scholarship winners will be notified by phone on or before July 6, 2018 and encouraged to attend the BCCD and Farm Service Agency Annual Banquet in the fall of 2018, where they will be recognized. Either student or someone on their behalf must be present during awards.

The BCCD continues to sponsor these scholarships in an effort to encourage students to continue their education in a conservation-related field. We appreciate your assistance in distributing the application to the appropriate students and thank you in advance for your cooperation.
