**6. PROOF OF INSTRUMENT FILING WITH THE RECORDER OF DEEDS OFFICE:**

Per 25 PA Code §102.8(m)(2), the instrument will assure disclosure of the PCSM BMP(s) and the related obligations in the ordinary course of a title search of the subject property. The recorded instrument must identify the PCSM BMP(s), provide for the necessary access related to long-term operation and maintenance of the PCSM BMP(s) and provide notice that the responsibility for long-term operation and maintenance of the PCSM BMP(s) is a covenant that runs with the land that is binding upon and enforceable by subsequent grantees.

*For either Commonwealth or federally-owned property, a covenant that runs with the land is not required until the transfer of the land containing the PCSM BMP(s) occurs. Upon said transfer, the deed must then comply with 25 PA Code § 102.8(m)(2).*

a. Is the project on Commonwealth or federally-owned property?  Yes  No

If the answer to question a., above, is Yes, proceed to Section 7. If the project is not on Commonwealth or federally-owned property, continue with this Section and attach copies of the notice provided to all landowners who have bought, accepted ownership or other legal responsibility for parcels containing PCSM BMPs. I certify, under penalty of law, that I have recorded an instrument with the Recorder of Deeds Office which will assure disclosure of the PCSM BMP(s) and the related obligations in the ordinary course of a title search of the subject property, and which meets the requirements of 25 PA Code §102.8(m)(2).

7. **Permit Termination Certification:**

**This Section is to be completed by the person listed in Section 3 and, when applicable, Section 6.**

I, \_\_\_\_\_, certify under penalty of law that permanent stabilization, under 25 PA Code §102.22(a)(2), of the earth disturbance activities has occurred and either the installation of BMPs in accordance with an approved plan prepared and implemented per §§ 102.4 and 102.8 (relating to erosion and sediment control requirements; and PCSM requirements) has occurred or all approved restoration/reclamation activities have been completed. I understand that by submitting this NOT, I am no longer authorized to conduct earth disturbance activities under the referenced permit and that discharging stormwater from earth disturbance activities to waters of the Commonwealth is unlawful where the discharge is not authorized by a permit. I also understand that the submittal of this NOT does not release a permittee or co-permittee from liability for any violations of the permit, the federal Clean Water Act (if applicable), the Pennsylvania Clean Streams Law and the rules and regulations promulgated thereunder, or from liability for any environmental damages occurring as a result of any earth disturbance activities conducted at the site. I understand that there are significant penalties for submitting false information, including possible fines and imprisonment for knowing violations.
