

If you enjoy working outdoors, want to try something new, this may be just what you are looking for!

The Berks County Conservation District is seeking a ***West Nile Virus (WNV) Technician*** to assist the WNV Coordinator in implementing the Integrated Mosquito Management (IMM) program. This is a full-time, seasonal, paid position from May through September.

Key duties of the WNV Technician include: fieldwork, data collection and data entry, mosquito control activities, and coordinating program information with neighboring counties and Pennsylvania (PA) Department of Environmental Protection staff.

If you have a Bachelor's Degree or relevant experience in Entomology, Biology or a closely related field, a valid driver's license and a PA Department of Agriculture Pesticide Applicator's License (study materials and testing dates will be provided to an applicant who qualifies otherwise), send your resume to:
