Surface waters receiving stormwater discharges are impaired for siltation, suspended solids, turbidity, water/flow variability, flow modifications/alterations, or nutrients. Yes No

The earth disturbance area is within an area of known karst topography. Yes No

Alternative E&S and/or PCSM BMPs or alternative E&S and/or PCSM design standards are proposed. Yes No

A Managed Release Concept (MRC) BMP is being proposed. Yes No

The project site is associated with an Act 2 remediation project or is otherwise known to contain contaminated soils or groundwater. Yes No

Chapter 105 and/or Chapter 106 permit(s) are required for this project. Yes No

The project will involve phases or involve a larger common plan of development or sale. Yes No

Submit this form via mail, fax or email to the agency that is responsible for reviewing the Notice of Intent (NOI) or individual permit application for a Chapter 102 permit. Attach a site plan and location map to this form or otherwise bring all available plans and maps to the pre-application meeting, if scheduled. The agency responsible for reviewing the NOI or application will notify the contact person identified above of date(s) available to hold the pre-application meeting. The agency may also request that a call, rather than a meeting, be held, or may waive the meeting or call. If the meeting/call is waived, the applicant may proceed to submit the NOI or application.
