Total Disturbances		258.14 115.33

102/105 Enforcement and Potential Enforcement Actions

Monthly Board Meeting Agenda

- Bollinger Road/Sonnen Farm, Marion Twp (CM-06-00600) (Preserved Farm): Marion Township. Floodway Encroachment. As of March 25, 2025, the project will be bid out a second time due to complications with negotiations between the property owner and Jackson Township. The contractor will need to wait until October 1, 2025, to begin the restoration efforts, due to construction restrictions based on a nearby bald eagle nest. On July 29, 2025, the BCCD requested assistance from DEP for attaining voluntary compliance. DEP is scheduling a meeting with all stakeholders. A meeting was held on 2/5/2026 and parties are moving toward compliance by removing the material
- 201 Forge Dam Road Driveway Improvements, Upper Bern Twp (ESP-06-02638) PAC060348: Michael Piepoli, 299 MSS, LLC. NPDES Permit Non-Compliance. The Corrective Action Plan (CAP) has been approved. The Permittee must now implement the CAP. However, an ongoing civil suit with the Township is complicating matters, which may trigger further enforcement by PA DEP. PA DEP has contacted the Township and awaits internal guidance on how to proceed. The Township responds that the request has been sent to the Township Solicitor. The Township appears to indicate that the CAP can proceed and that the Twp's concerns are merely ancillary.
- Lyons Solar (PAD060068): The solar panels and PCSM BMPs have been installed. The amended soils and permanent seeding have occurred. The PCSM BMPs have been converted to their permanent conditions. The As-built survey was submitted and is acceptable. Additional infiltration testing was performed and revised calculations based on the post-construction infiltration rates and are adequate. We are currently waiting a significant enough rain event to ensure the basins infiltrate within the required 72 hours after the end of the storm event.
- 170 N. Bingaman Street Exeter Twp/St. Lawrence Borough (CM-06-00399): Mike Coulter. An unpermitted stream obstruction/bridge installation. 6/17/2025: DEP issues a General Permit 11. However, issues remain with the permitting and the site is not back into compliance.
- 1641 Alleghenyville Rd., Brecknock Twp (Com-25-027). Swartz Farm – The landowner has acquired legal representation. No compliance efforts have been made outside of temporary stabilization. A follow-up inspection was conducted, and the inspection report is waiting on the District Executive's approval before formally sending it to Dautrich & O'Brien Law Offices, P.C.
- 1068 Fritztown Road, South Heidelberg & Spring Twps CM-06-00714 (Com-24-120) CTS 385585. Mike Lawson. Unpermitted wetland fill and stream dredge. The landowner has acquired legal representation and PA DEP has agreed to accept an enforcement referral. On July 11, 2025, the District submitted the enforcement referral to DEP. To date, there has been no response from DEP. However, the DEP Compliance Specialist for Berks County had since resigned.
- Glen Ridge Estates, Lower Heidelberg (PAC060063) – the Township has asked for our assistance in getting DEP to provide some pressure on the developer to complete the project. All homes are completed; however, the PCSM SCMs have not been converted to their final configuration. Requests to perform this work have been going on for a couple of years with no response.
- Pricetown Road Complaint – sent to DEP for enforcement; have not received a response from DEP
